r1mc3 ChArUco board poster_6x4_90: 6 x 4 squares of 90.0 mm, ArUco markers 68.0 mm, OpenCV DICT_4X4_50 (ids 0-11), top-left square black
PRINT AT 100 % / ACTUAL SIZE on 20 x 30 in (poster), matte or satin (not glossy / metallic), black on white - never 'fit to page' or crop. Glue flat on a rigid board, no lamination.
CHECK with a ruler: one square = 90.0 mm; along the top row, from the left edge of the first black square to the right edge of black square 3 = 450.0 mm (+-0.5); the bar below = 100.0 mm. Write the measured values on the back.
